Resolution 0001 - Volunteer & Composite Fire Departments Equipment and Training 2022 Application Support

The trustees of the Piers Island Improvement District support the Volunteer & Composite Fire Departments Equipment and Training 2022 Application Form dated September 30, 2022, prepared by Fire Chief Steve Cruise, titled 'Resiliency Through Innovation' outlining equipment needed to build the resiliency of the department in preparing for and responding to emergencies. The trustees are able and willing to provide overall grant management.

We, the undersigned, being of the Trustees of the Piers Island Improvement District consent and agree that the above resolution was made on October 4, 2022 on Piers Island.
