

# **PIID Water Trustee's Report**

## **April 2019**

---

Let me recognize the important volunteers that continue to support the provision of world class water on Piers Island. They are an amazing team and make it possible to manage our system.

Three cheers to:

Bob Crooks, Maureen Crooks, Ming Huey Chang, Mary Jordan, Phil Macoun, Lloyd Phillips, Cam Russell, Colin Robertson, Katie Steenman, Conrad vander Kamp, Velvet Warrior, Philippa White, Ander Wynne-Edwards.

### **Water Quality and Testing Update**

The water operators were able to report continuing excellent lab test results. Details are stored and available to any landowner.

### **Recent activities**

- New covers fabricated for old valve boxes.
- No anchoring signs ordered and delivered.
- Underwater lines to North Saanich flushed.

### **Upcoming projects**

- Flushing of Piers Island water distribution system (morning of April 24).
- Placement of backflow preventers on selected services.
- Meeting with Fire Department to discuss emergency fire procedures.

### **Routine maintenance continues**

- Weekly water tests
- Underwater line testing
- Visual inspection of tank and pumphouses
- Emergency generator maintenance
- Service air valves

### **Water tank replacement project**

Please see separate report describing activities to date.
